

Congresswoman Lynn N. Rivers'

District Calendar: Upcoming Events and Updates

Summer/Fall 2000

Dear Friends:

As your Congresswoman, I serve as your eyes, ears and voice in Washington, D.C. I work hard to keep you informed about important federal matters and how these issues may affect you. Each month, I prepare a newsletter, host a local cable television show, and hold official events throughout the district, all of which are designed to bring you information about initiatives being debated in Congress. I am home each weekend, and I look forward to these opportunities to hear from you.

Inside this special edition is a list of upcoming events through the month of December. I will be hosting coffee hours, and educational forums, which are described in the adjacent column. Due to reduced attendance, I have decreased the frequency of Town Hall meetings, however, I have added a number of coffee hours.

I hope to see you soon at one or more of my official events. If you have any comments or questions, please don't hesitate to contact me.

Sincerely,

Lynn N. Rivers

EVENTS

* **Coffees:** Join me for a cup of coffee and conversation about any federal issue that is important to you. Voice your opinions and respond to the opinions of others, just like an old fashioned "coffee-klatch."

* **Town Hall:** A lively audience driven question and answer session on any federal issue. Your questions create the agenda of this open meeting.

* **Forums:** Panel discussions with experts presenting various viewpoints on issues before Congress.

Look for "Capitol Corner" on your local community access cable channel. Check your TV guide for showtimes.

New Website Features!

My website is constantly changing to keep you up to date on current issues before Congress. I am now transforming my website into an online office, which will provide you with immediate access to information and services frequently requested by calling my staff. Several new sections added to my website enhance my web-based constituent services. See <http://www.house.gov/rivers> for links to the following new sections:
